Grand Total:

---

Hours spent other clubs and ors participating in

---

Hours you work/week

---

Number of study hours the next line (multiply by 2 and place on)

---

How many units are you taking? Look like?

What does your schedule look like? At 12 units, this is what

---

36 hours

---

12 hours in class

---

12 x 2 = 24 hours of studying

---

...like your week may look

Where is your time going?
